REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Proprietor of The Logan Group Securities

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of The Logan Group Securities as of December 31, 2017, the related statements of income and proprietor's equity, and cash flows for the year then ended, and the related notes (collectively referred to as the financial statements). In our opinion, the financial statements present fairly, in all material respects, the financial position of The Logan Group Securities as of December 31, 2017, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of The Logan Group Securities' management. Our responsibility is to express an opinion on The Logan Group Securities' financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to The Logan Group Securities in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Supplemental Information

The Schedule I-Computation of Net Capital and Schedule II-Computation of Net Capital Requirement (Part A) and Aggregate Indebtedness have been subjected to audit procedures performed in conjunction with the audit of The Logan Group Securities' financial statements. The supplemental information is the responsibility of The Logan Group Securities' management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the Schedule I-Computation of Net Capital and Schedule II-Computation of Net Capital Requirement (Part A) and Aggregate Indebtedness are fairly stated, in all material respects, in relation to the financial statements as a whole.

THE LOGAN GROUP SECURITIES
Notes to the Financial Statements
Year Ended December 31, 2017

1. NATURE OF ACTIVITIES

The Logan Group Securities (the "Company") is engaged in the sale of variable annuities and mutual funds to individuals, organizations and businesses in California and Colorado. Commissions are paid by the issuing companies to Logan Group Securities. The Company's operations are conducted from the same offices as another entity owned by the owner of the Company. The related proprietorship incurs the burden of substantially all common and administrative expenses, including salaries. The financial position, results of operations and cash flow of the Company differ from those that would have been achieved had the Company operated autonomously.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: - the accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Revenue Recognition: - the Company's revenues consist of commissions generated for the sale of annuities and mutual funds and trail fees. The Company recognizes revenue when persuasive evidence of an arrangement exists, delivery has occurred, the fee is fixed and determinable and collection of the fee is probable. Generally, these conditions are met, and thus, revenue is recognized, at the time of sale of an investment to the customer.

Use of Estimates – Preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents – The Company considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

Investments and investment income - Investments are comprised of investments in equity securities mutual funds, which are stated at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. Investment income includes realized and unrealized gains and losses.

Income Taxes – As the Company is a proprietorship, no provision has been made for federal or state income taxes. The tax liability, if any, is that of the sole proprietor.

Notes to the Financial Statements (Continued)
Year Ended December 31, 2017

3. NET CAPITAL REQUIREMENT

Pursuant to the net capital provision of Rule 15c3-1 of the Securities and Exchange Act of 1934, the Company is required to maintain net capital of not less than \$5,000. As of December 31, 2017, the Company's net capital, as calculated and disclosed in the Financial and Operational Combined Uniform Single Report was \$36,309.

4. RELATED PARTY TRANSACTIONS

The Company has entered into an agreement with a related entity which is owned by the owner of the Company, whereby the Company pays for administrative support, telephone, office supplies, and to rent storage space and conference room space on a monthly basis. During 2017, the Company paid \$11,100 to the related entity for these services.

5. SUBSEQUENT EVENTS

Management has evaluated subsequent events through February 23, 2018, the date the financial statements were available to be issued.

6. SUPPLEMENTARY SCHEDULES

The Securities and Exchange Commission requires the inclusion of certain supplementary schedules with the financial statements of a broker-dealer if the broker-dealer retains customer funds or securities. Logan Group Securities does not retain customer funds or securities. The following schedules are inapplicable and thus have not been prepared:

- Computation for Determination of Reserve Requirements pursuant to Rule 15c3-3
- Information Relating to the Possession or Control Requirements pursuant to Rule 15c3-3
- A Reconciliation pursuant to Rule 17a-5(d)(4)

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Proprietor of The Logan Group Securities

We have reviewed management's statements, included in the accompanying Exemption Report, in which (1) The Logan Group Securities identified the following provisions of 17 C.F.R. §15c3-3(k) under which The Logan Group Securities claimed an exemption from 17 C.F.R. §240.15c3-3: (2) (i) (the "exemption provisions") and (2) The Logan Group Securities stated that The Logan Group Securities met the identified exemption provisions throughout the most recent fiscal year without exception. The Logan Group Securities' management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about The Logan Group Securities' compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.

To whom it may concern,

The Logan Group Securities (LGS) is a limited broker-dealer, offering mutual funds and variable products. LGS does not directly handle customer funds or securities or any other duties associated with a clearing broker-dealer. LGS is registered with the U.S. Securities and Exchange Commission (SEC.).

In accordance with Rule 17a-5 of §240 of the Securities and Exchange Act of 1934, LGS performs an annual audit and files a "Report pursuant to rule 17a-5 under the Securities Exchange Act of 1934" with the SEC. In the report, LGS claims exemption to Rule 15c3-3 based on exemption k (2)(i), which is noted below.

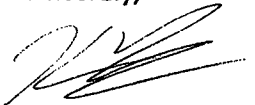

(k) Exemptions.

(2) The provisions of this section shall not be applicable to a broker or dealer:

(i) Who, carries no margin accounts, promptly transmits all customer funds and delivers all securities received in connection with his activities as a broker or dealer, does not otherwise hold funds or securities *for*, or owe money or securities *to*, customers and effectuates all financial transactions between the broker or dealer and his customers through one or more bank accounts each to be designated as "Special Account for the Exclusive Benefit of Customers of LGS".

The nature of the business of LGS qualifies the firm for this exemption. Further, management has evaluated transactions executed for the year and has verified that no customer funds have been received or distributed for securities transactions or for customer accounts; and LGS does not maintain customer accounts. Therefore, LGS has met the identified exemption provisions throughout the recent fiscal year without exception.

Sincerely,

Kevin Logan
Sole Proprietor
